

Austin Taylor offer a comprehensive range of BT style linejacks.

All variants are shuttered and are available with IDC or screw terminals. PSTN Master, PBX Master & Secondary versions are available.

1 Series

86mm x 86mm x 29mm

Supplied with backbox & fixing screws

2 Series

68mm x 68mm x 29mm

Supplied with backbox & fixing screws

Also available as left hand latch (/3C)

3 Series

86mm x 86mm

Supplied with fixing screws

Backboxes available separately

Also available as left hand latch (/3C)

Main picture - LJ3/1A
Inset - LJ3/6A

4 & 5 Series

86mm x 86mm

Supplied with fixing screws

Backboxes available separately

4 Series

Two separate lines

5 Series

One line with parallel sockets

Linejack mastering

PSTN (Full) Master

Ring capacitor, surge arrestor & opt out of service resistor

Used for direct exchange lines

PBX Master

Ring capacitor only.

Used with PBX type telephone systems where surge protection is provided at the network interface

Secondary

No mastering components

Used for parallel extension sockets

Technical Summary

Colour	Bright white (BT 1P)
